Using the Catalogue, Price List and Order Form

Step 1 - Choose your product

Study the Catalogue to find the product that best meets your requirements, note the Price List page number.

Step 2 - Calculate quantities required

Assess how many items of any one selection you wish to purchase (it does not matter whether all rosettes within a selection have the same number of tiers).

Step 3 - Find the section within the Price List (page number noted in Step 1).

Step 4 - Understanding what you are ordering

Read page 3 of the Price List and the description of the Rosette Range on page 3 - 12 that explain the standard dimensions of the rosettes and optional extras available.

Step 5 - Fill in the Order Form

- i) Fill in the invoice address box and the despatch address box if different.
- ii) Please state clearly the goods required by date and also the show date in the following format "date/month/year". Due to the seasonal demand for rosettes if your required by date is not to be met the product manager will contact you to confirm with you a revised despatch date.
- iii) Insert the product code under the Style or Ref column. N.B. if a rosette is to have a 2⁵/₈" oval or cameo centre, suffix the product with /2⁵/₈"O or /C respectively.
- iv) Insert the product description and optional extras description for each product selected in the next column (see page 3 of the Price List for optional extras).
- v) If applicable specify the colours of the product under the "Colour of Each Tier" columns, e.g. for rosettes state the outer tier colour first and move in and for a two tone Prize Card write for example Blue top/Red bottom horizontal stripe.
- vi) If applicable specify the type of fastening required by ticking under the appropriate heading.
- vii) State the quantity of product required in the Quantity Column.
- viii) Calculate the price per unit - see Step 6.
- ix) Multiply the quantity by unit price to get the total for that product.
- x) Once all products are filled in add additional costs, e.g. artwork and set ups - see Step 7.
- xi) Total Prices to date and then work out the administration, packing and carriage cost as stated on page 17 of the Price List.
- xii) Total the price and the P&P and add VAT at 15.0% to the total.

Step 6 - Unit price calculation

Prices are set out under the relevant selection or product within the Price List - many depend on volume purchased and optional extra costs. Please read in detail the product section, e.g. Rosettes under which your requirement falls in order to assess any extra costs to be incurred. Where prices vary with volume, take the volume calculated in Step 2 to assess the relevant costing per product.

For example your requirements are:

800 TR1	}	Sum the number of items per selection = 1040
240 TR2		
80 OR1	}	Sum the number of items per selection = 140
60 OR2		

This order would attract the 1000+ prices in the TRA selection and the 100-999 prices in the Olympic selection.

Extras for rosettes:

- i) 2⁵/₈", oval or cameo - add the additional cost at the base of the relevant selection's pricing table.
- ii) Extra tail length and width - select the tail length and width required and then add the additional cost per rosette as specified in the tail length and width table on page 3.
- iii) Tail blocking - add 15 pence per blocked tail.

Step 7 - Additional Costs

Add to the cost:

- i) The price of artwork/design - £26 if your rosette is fully personalised with your own logo.
- ii) The set up costs:- Centre set ups - if only the show name and a standard motif are required £7.20
Tail set ups - if there are wording changes assess the number of changes and multiply by 81p (where the number of letters exceeds the maximum available an artwork cost as in Step 7 i) will be incurred).
- iii) The cost of word changes in personalised centre - 81p per change.

YOUR ATTENTION IS DRAWN TO THE TERMS OF BUSINESS ON PAGE 17 BEFORE ORDERING

ROSETTE SPECIFICATIONS

Quality

Our rosettes are made from a variety of ribbon types producing rosettes of a high standard both in terms of quality and finish. We pack rosettes in layers in cardboard, thus they not only travel securely but stay protected - readily seen and accessible whilst in your keeping.

What is included in the price?

For all except the Velvet Stock Selection our rosettes prices include:

- Total choice of ribbon colours (excluding the Duet Selection and the Combination Selection) see page 1 of the Catalogue for our ribbon colours. Due to limitation of the printing process colours may differ slightly.
- Bridle clip, tapes, sticky pads or safety pin fastening (carcass pins 13p extra)
- Round 2 1/4" centres blocked in gold, silver or coloured foil.

Optional Extras:

Personalisation

- The maximum number of letters that can be fitted around a 2 1/4" centre is 34 (including the spaces between the words). Any more letters and an artwork/design and plate cost of £26 will be incurred.
- All orders requiring a new personalised centre incorporating a specific logo or emblem will incur a £26 artwork/design cost.
- All 2 5/8", oval or cameo personalised centres will incur a £26 artwork/design and plate cost.

Please note: All centre word changes will be charged at 81p per change.

Gold Blocked Tails

Setting charge: 81p for first setting and each subsequent setting where wording is different.

Printing charge: 15p for each tail blocked. (Not available on the Velvet Stock Selection)
